PETITION FOR LICENSE FOR FOREIGN FILING

Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

To obtain benefit of the earliest above U.S. filing date, foreign applications must be filed by March 2, 1988, the file date of the original, Danish Application Number 1075/87. Request is hereby made under 35 U.S.C. 184 for license to file foreign applications identical to the attached document. The application is U.S. Serial Number 058,766, filed June 5, 1987. The attached application relates to a prophylatic or tubular device to prevent the transfer of sexually transmitted matter. Foreign filings based on said applications are considered not likely to be detrimental to the public safety or defense.
